Sound is where it’s at. The crack of the bat. Earth-shaking hits. The swoosh of a basketball through the net. It’s game time, are you ready? Let a Home Expert show you all the major and small appliance options that make that sound. Our Home Experts will not only show you how it works and give you a demo of the action—hearing every grunt, hit and crowd roar. It’s the ultimate in surround sound. In a football game, you’re practically in the center of the stadium—right where it’s at. IIf you’re watching tennis, for example, you hear the ball move from right to left as you watch the match. In a basketball game, speakers all around you, even in the ceiling, to place the sound throughout the room. With stunning audio, all of these visuals become amplified tenfold, and we can help you outfit your kitchen with a full appliance suite to rock the game day menu like a pro.
