Five Burner Cooktop

### Five burners for ultimate flexibility

- Enjoy the flexibility to cook with different-sized pans simultaneously
- Whether you're boiling water, melting chocolate or simmering sauce, there's a burner for your needs: a dual power burner with 18,000 BTU, plus simmer, oval and regular burners
- Dual power burner features two independent heating elements with power ranging from 18,000 BTU to 1,000 BTU, allowing you to go from a rapid boil to a true simmer
- Oval burner used for oversized pots or pans, or "bridge" cooking

Griddle and Wok Grate

### A griddle and wok grate, custom-made for your range

- Easily accommodate a round bottom wok on the custom wok grate
- Cook a variety of breakfast foods or grilled sandwiches at once on the removable stovetop griddle
- Griddle and wok grate are included with purchase

5.8 cu. ft.  
Large Capacity

### Extra-large oven allows you to cook multiple dishes at once

- 5.8 cu. ft. easily accommodates a big roast, multiple casserole dishes or several racks of cookies
- Three oven racks - two wire and one gliding - so you can prepare enough food for large gatherings

True Convection

### Cook food faster and more evenly

- Heated fan system is great for baking and broiling because temperature is distributed thoroughly and food cooks evenly
- Enjoy tastier results each time

Gliding Rack

### Slide heavy items in and out of the oven with ease

- Easily slide heavy items like large turkey roasters, into and out of the oven
- Features a unique ball bearing design that allows rack to glide with ease
- Allows you to simply check on your foods during cooking

**Stainless Steel Cooktop and Controls**

### Premium stainless design

- Stainless steel design offers a premium look
- Easily matches your other stainless appliances

**Warming Drawer**

### Keep food at the perfect temperature until dinner is ready

- Store just-cooked meals until ready to serve
- Serve food at optimal temperatures
- Elevates oven cavity making it easy to slide a large roast inside
