Configurar su Arlo Essential Indoor Camera

2.a generación

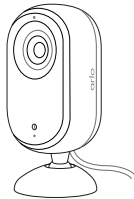

1. Conecte el cable USB-C al adaptador de corriente incluido y conéctelo a una toma de corriente para interiores.
2. Escanee el código QR a continuación para descargar la aplicación Arlo Secure, o bien para actualizarla, e inicie sesión o cree una cuenta.

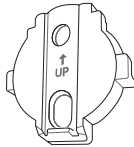

arlo.com/app/secure/

3. En la aplicación, presione Devices (Dispositivos) y, luego, el ícono  para comenzar a configurar su cámara. Presione Cameras (Cámaras), luego Essential Series (Serie Essential), después Essential Cameras 2nd Generation (Cámaras Essential de segunda generación) y siga las instrucciones. Si tiene varias cámaras, realice el proceso de configuración una cámara a la vez.
