HP 21kd 20.7-inch LED Backlit Display

Brilliant quality. Smart price.

Full HD resolution gives your content an exciting boost.[1] Enjoy this impressive view on a 20.7-inch diagonal display that combines a sleek, compact design with awesome features, at a price everyone can love.

Product overview

- **Simply stunning:** Now you can amp up your entertainment and productivity with the striking quality and crisp colors of Full HD.[1] And with VGA and DVI ports, connecting is quick and easy.
- **Liberate your desk space:** Help keep your work space organized and clutter-free with a compact, eye-catching design and internal power supply that eliminates the need for a bulky power brick.
- **The greener choice:** Designed with a mercury-free backlight and arsenic-free glass, this ENERGY STAR® certification and EPEAT® Silver registered display helps reduce power consumption to save on costs.

Product features

- **Adjust your view:** Adjust the screen to your personal preference with a 5° forward or 20° backward tilt.
- **Compact, sleek design:** Get everything you need in one elegant package. Just one connection to the wall eliminates cable clutter. Slim design gives you more room for an enhanced computing experience.
