battery

Replaceable battery

Pro uses a replaceable CR2032 battery which runs for a year with no upkeep, and then is easy to replace yourself.

Most powerful

Featuring our loudest volume and longest range so no matter where your things are, you'll find them.

Rigorously tested

Drop tests. Squish tests. Tumble tests. Our most rigorous tests mean your real life is more than covered.

Smart home integration

Pro works with Amazon Alexa and Google Assistant to make finding easier than ever.

Get started

Download the free Tile app and follow the simple in-app steps to activate your Pro.

Ring your things

Use the Tile app to ring your device if nearby, or see its location on a map if far away.

Find your phone

Double press the Tile button on your device to make your phone ring even when it's on silent.

Activate community find

With millions of users all over the globe, the Tile community can help you find your things fast wherever they are.

Sharing

Share it with a roommate or friend to increase your finding power.
