## CAUTION!

This monitor desktop mount must be securely installed to the horizontal desk. If the mount is not properly installed it may fall, resulting in possible injury and/or damage.
WARNING

The stand can be used with the weighted metal base or there is a desk attachment provided (as drawings on the bottom) allowing you to mount the stand on a desk. This is very simple to install and just requires a hole drilling (10mm diameter) in your desk and clamping with the bolt and large washer.
