About the product:

Thrustmaster is proud to offer a pack of transparent, backlit modules for the ESWAP X PRO CONTROLLER gamepad.

The striking color of these modules, designed with competitive gamers in mind, pays tribute to the proud rivalries in the world of multiplayer gaming.

ESWAP X LED CRYSTAL PACKS feature next-generation (NXG) analog mini-sticks: the ESWAP X S5 NXG MINI-STICK MODULE. These new mini-sticks provide enhanced precision and a longer lifespan in relation to previous Thrustmaster mini-sticks. Gamers will enjoy better physical resistance (+33%), improved re-centering precision (+66%), and double the lifespan for the built-in mini-stick buttons (+100%), compared with previous mini-sticks in Thrustmaster's range of gamepads.

The different shapes and textures offer gamers a completely new level of handling, with 7 modules and 2 additional mini-stick caps.

Support your favorite team with this eye-catching, premium blue pack.

This product is officially licensed for Xbox Series X|S, and is also compatible with Xbox One and PC (Windows 10).

UNIQUE BACKLIGHTING

The two mini-stick modules and one D-pad modules are backlit: show off the color of your favorite team at all times, with total class.

VERSATILE MINI-STICKS

The mini-stick modules each feature a tall metal shaft for smooth, precise movements in all circumstances. You can even switch the shape of the mini-stick caps (convex or concave) to suit your preferences.

SUPER-SMOOTH GRIPS

Competitive gamers will love the ultra-soft grips included in this pack — which look and feel great too. The grips have been designed with a completely new level of handling in mind, ensuring optimal comfort throughout long gaming sessions.
