

Wake Up Your Way Light

Choose how YOU want to wake up:

- Your favorite FM radio station
- Nature sounds
- Gradually with Natural Daylight Mode – 10, 20, and 30 minute selection to full brightness
- Alarm sound
- Snooze

Plus you can...

- Enjoy the color Changing Mode any time of day or night. Or select one color to light up your space
- Go to bed your way too – music and light shuts off with your selection of 10, 20 or 30 minute timing
- Play your devices with the audio-in jack
