## Set up your Arlo Video Doorbell

1. Download the Arlo app and follow the setup instructions for Arlo Video Doorbell.

2. Connect the power kit to your existing chime.

3. Replace your existing doorbell with your Arlo Video Doorbell.

The Arlo Video Doorbell requires a wired doorbell and chime with voltage between 16V AC and 24V AC, and a 10VA transformer.

## What's in the box

---

Doorbell and plate  
(These parts are attached to each other)

Power kit

Release pin

Angled  
mounting plate

Wall screws and anchors

Optional wire extensions, wire fasteners,  
and extra screws

## Tools

---

- A Phillips head screwdriver is required to install the doorbell (not provided).
- You may also benefit from having a drill, a level, and a ladder (to reach the chime).
