

LIMITED PRODUCT WARRANTY

Revival Health Inc. (the “Company”) expressly warrants to the original end-use purchaser or the person who is receiving the product as a gift with proof of purchase (and not to any other person or transferee) that, for a period of one year from the date of sale, the device purchased from Revival Health Inc. (the “Product”) will be reasonably free of defects in materials and workmanship, and that when properly handled and fabricated, will conform, within accepted tolerance, to applicable manufacturing specifications. This Limited Warranty only applies to Company’s Products which are used, stored, and handled in the manner recommended by Company.

Company will, at its option, repair or replace Product without charge, or refund the cost of the Product, if the Product fails or does not perform as warranted solely due to a manufacturing defect within the warranty period, subject to the exclusions set forth in this Limited Warranty. Repair or replacement during this one-year warranty shall not include the cost of delivery to and from Company. During the entire one-year warranty, Company’s obligation as to repair or replacement shall further be limited to repair or replacement with the styles and models of the Product that are available at the time of the repair or replacement and shall be limited to the repair or replacement of only the specific Product that fails due to a manufacturing defect. Any repaired or replaced product shall also remain subject to the original one-year warranty from the date of the original purchase, and any repair or replacement shall not extend the original warranty period in any manner or start a new warranty period.

You may obtain coverage under this Limited Warranty by providing Company with certain required documentation that Company will require to honor the warranty, including proof of original purchase. For service under this Limited Warranty, you must notify Company in writing, providing your name and address, a description of the product involved, the nature of the defect, and proof of original purchase.

The determination of whether to repair or replace shall be made at Company’s sole discretion. This warranty does not cover consumable items, including but not limited to non-rechargeable batteries, external cables, and disposable sensors. All Products sent for repair will be delivered to Company at Company’s designated technical service location. Company reserves the right to charge a fee for repairing or replacing a Product received under a claimed warranty repair request if that Product is found to be within specifications, or outside the warranty period for that product.

This warranty is non-transferable.
