

CyberPower

CPS160PPB2U MOBIL POWER INVERTER

Offering household power on the go

The CyberPower 160 Power Inverter (CPS160PPB2U) converts power from your vehicle's 12V DC power outlet to simultaneously power up to four devices with its two household AC outlets and two USB ports (2.1 Amp shared). Use the AC outlets to power portable electronics while you're traveling. The USB ports charge up to two USB powered devices at the same time, including most tablets with 2.1 Amps of power.

Safety features such as a built-in fuse, surge protection, and automatic shutdown prevent your connected devices from power surges and automotive battery from power drain. Other features include sliding outlet covers, a four-foot power cord, a DC plug, and a convenient seat pocket hook. The extra-long power cord and convenient seat pocket hook provide power to nearly anywhere in a vehicle.

A Two-Year Warranty ensures that this product has passed our highest quality standards in design, assembly, material and workmanship.

TYPICAL APPLICATIONS

- Tablets
- Laptops
- Smartphones

FEATURES

- 160W Power Inverter
- (2) USB 2.1 Amp Charging Ports
- (2) 120Vac Outlet
- Seat Pocket Hook
- 2-Year Warranty

SPECIFICATIONS

INPUT	
Voltage	11.0Vdc - 15.0Vdc
Plug Type	12Vdc Auto Power Port
Cord Length	4'
OUTPUT	
Watts - Continuous	100
Watts - Peak	160
On Battery Voltage	120Vac
On Battery Frequency	60Hz
On Battery Waveform	Simulated Sine Wave
Outlets - Total	2
Outlet Type	NEMA 5-15R
USB Charge Port - Total	2
USB Charging Amperage	2.1A (shared)

PROTECTION FEATURES	
Low Battery Voltage Shutdown	<11Vdc
High Battery Voltage Shutdown	>15Vdc
High Temp Shutdown	Yes
Overload Shutdown	Yes
INDICATORS	
Power	Green
Fault	Red
PHYSICAL	
Dimensions (WxHxD) (in.)	3.62 x 1.59 x 3.62
CERTIFICATIONS	
Environmental	RoHS Compliant
WARRANTY	
Product Warranty	2 Years Limited
