In-ear headphones with mic

SOCL300

Party for one  
all night / all day / until sunrise / until dawn

Noise-isolating fit. In-ear headset.

With the precisely engineered 8.6mm audio driver and the stringent tests conducted by our world class acoustic engineers in our Belgium Innovation Lab, SOCL300 provides a crystal-clear and balanced sound quality. SOCL300 also features a secure-fit in-ear design, crafted based on extensive ergonomic research, providing you with an ultimate comfortable wearing for continuous and long usage. The in-ear seal also provides perfect noise

isolation for better music immersion. You also stay in control of your call and music with the SOCL300 in-line remote, making switching songs, accepting or rejecting calls simple or activating voice control without ever taking your device out of your pocket. It features a unique design utilising a translucent casing and gradient color cables. 4 colors options available.

### Product Highlights

8.6mm speaker drivers

Translucent housing  
gradient cable

Oval acoustic tube for  
superb comfort

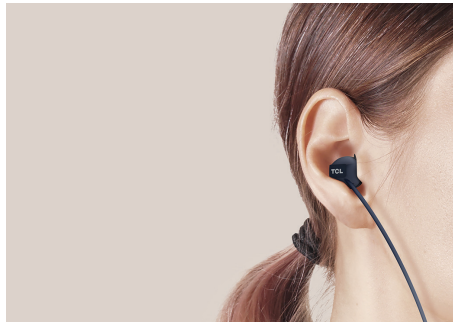

Call and music control
