With no moving parts, the PNY CS900 is highly durable and includes a 3-year limited warranty.** In addition, the CS900 now includes the Acronis® True Image HD 2017 data migration software, which allows for a seamless experience when transferring data from an existing drive to a new PNY solid-state drive.

The PNY CS900 is an excellent choice for energy efficiency and consumes significantly less power than hard drives. Users can benefit from lower power usage, longer battery life, and a cooler, quieter system. Spend more time enjoying your system and less time worrying about battery consumption. The CS900 lineup is available in a range of capacities from 120GB to 960GB.
