

BOSCH

Invented for life

Daringly different.
Infinitely beautiful.

Black stainless steel collection.

Behold a daring new way to design your kitchen. Bosch black stainless steel appliances perform as good as they look. Built with the quality you expect from Bosch in a contemporary style, the collection is strong, sturdy, and sleek.

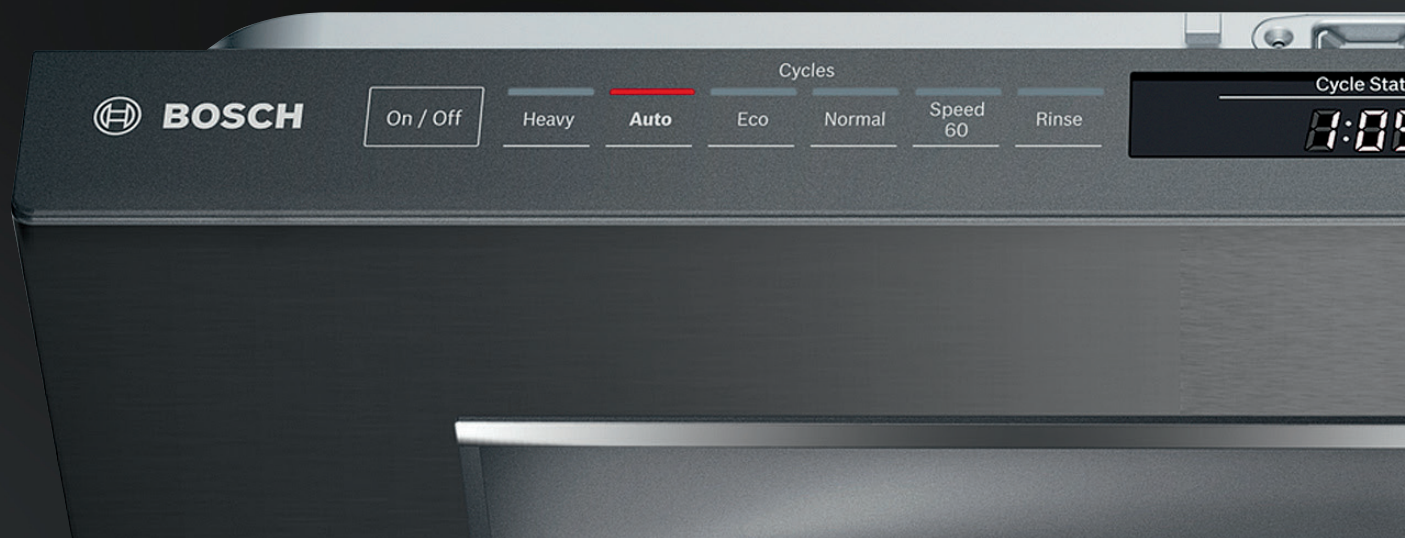

Makes a statement without leaving a mark.

Bosch black stainless steel is made from a special material, not simply a black foil coating. Black stainless steel helps guard against scratches and fingerprints to maintain their bold look.

Timeless design that never
fades from style.

Sleek. Clean. Sophisticated. And what's beneath the surface is equally impressive. The black stainless steel collection is designed with superior engineering and quality materials for outstanding performance day in and day out. A perfect complement to any style.

Quality, down to
the last detail.

Cooking ►

Combining function and simplicity, Bosch ranges lighten the day's burden to serve as the kitchen's daily companion. Engineered for precision and reliability, they perform tirelessly to bring ease and joy to cooking.

◀ Refrigerator

Introducing the revolutionary, new black stainless steel counter-depth refrigerator, with a streamlined interior and advanced FarmFresh™ system designed to keep the ingredients you love fresher longer. Enjoy less food waste, and more thoughtful design.

Dishwasher ▶

Loading is easier with a Bosch dishwasher. A flexible 3rd rack allows for bulky items like oversized utensils. Each Bosch dishwasher is put through 485 quality checks before leaving the factory. And since Bosch is the quietest dishwasher brand in the U.S.,* you can count on reliably clean dishes along with legendary peace and quiet.

*Based on an average of sound ratings of 24" Full Size Stainless Steel Tub dishwashers contained in major brands websites. Major brands defined as TraQline Top 5 Market Share December 2018.
