

IDEACENTRE 3i (7L, 8)

Connected, clutter-free home computing.

Keep your home office functional, connected, and clutter-free with the ultra-compact IdeaCentre 3i, featuring up to 13th Gen Intel® Core™ i7 processors, dual-design storage of up to 2 TB HDD and 2 TB SDD, and smart features that allow you to share everything securely with your household.

Why you should buy Lenovo IdeaCentre 3i (7L, 8)

Punches way above its weight

Don't sacrifice performance for size. Play and work like a pro. The space-saving IdeaCentre 3i is powered by the latest 13th Gen Intel® Core™ i7 processor that allows you to edit, stream, and listen to music seamlessly at the same time.

A clutter-free design for your home décor

Built for contemporary, minimalist home interiors, this compact clutter-free command center optimizes your space anywhere and blend in beautifully at home. The slim and light body saves space both outside and inside the PC. It's more than just a PC, it's part of your décor.

Fast and efficient ports

You'll never run out of access options for all your essentials, with seven USB ports - including three that are front-facing for easier access. Multitask and connect with faster transfer rates and more power efficiency with a robust 32 GB DDR4 RAM.

Never run out of storage

Never worry about what to save and what to delete with the IdeaCentre 3i. The IdeaCentre 3i has all the space your family will ever need with a dual-design storage system of up to 2 TB HDD and 2 TB SSD, as well as Smart Storage which is your personal cloud, to guarantee quick access to your vast household media library at home and remotely.

¹ Available on SKUs with Intel® Core™ i7 processors.

² Available on SKUs with Intel® Core™ i5 and Intel® Core™ i3 processors.

³ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

Lenovo Services

Lenovo Premium Care

Premium Care is the hassle-free solution for all your technical support needs. Upgrade your PC's standard warranty to our front-of-the-queue customer support service and get 24/7 real-person support via phone, chat, or email from experts who provide solutions on your first contact.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking 3rd party web trackers, secures your online accounts, encrypts your WiFi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

Lenovo Warranty Extensions (Up to 3 years duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

Lenovo Premium Care Plus

The ultimate PC support experience, with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, extended battery warranty support, and smart performance solutions that ensure optimized PC performance and security.
