

POPMOUNT CAR DASH & WINDSHIELD

On-the-go mounting just took a turn for the better.

FEATURES

- New innovative mount - Designed to fit PopSockets PopGrips
- Phone is viewable from multiple angles in both portrait and landscape mode
- Combined locking lever & adhesive provides secure suction on most surfaces
- Base features built in cord management
- Hinge provides wide range of motion to make for easy multi-positioning
- Compact design for easy storage
- Durably constructed

Unique design allows ring to rotate and provide multi-angle viewability.

When not in use, the mount can be collapsed for easy storage.
