

NATIVE UNION

BELT Cable USB-A to USB-C

4ft / 1.2m Kevlar® reinforced braided charging cable with USB-A to USB-C connectors.

New **Ultra Strength** construction, made with our signature, durable nylon braiding and DuPont™ Kevlar® fibre. Reinforced from the inside out and resistant to wear and tear.

USB-IF certified to safely charge USB-C enabled devices from any USB-A power outlet.

Sync & high speed charging up to 3A with USB 2.0, 480Mbit/s data transfer.

Wrap it up and go with the integrated genuine leather belt.
