Let's get started

STEP 1: Download the Roku Smart Home app

Scan the QR code below to download the Roku Smart Home app on your smartphone. Sign in with your Roku account or create one.

You'll need

Smartphone & app
STEP 2: Install your camera

In the Roku Smart Home app, tap the "**+**" button, then "**Add Device**" to find "**Indoor Camera 360**." Follow the instructions to finish setup.

What's that light mean?

During setup	Status
RED - Solid	Powered on and beginning setup
RED - Flashing	Ready to connect
RED and **BLUE** - Flashing	Connecting to Wi-Fi®
BLUE - Flashing	Connected and finishing setup

After setup	Status
RED - Solid	Viewing live stream or recording in progress
RED - Quickly flashing	Siren in use
BLUE - Solid	Connected and working
