

CHW-16

Cuisinart® Coffee Plus 12-Cup Coffeemaker & Hot Water System

Experience the ease and convenience of a full-size coffeemaker and hot water system in one. Full programmability, including 24-hour advance brew, 1 to 12 cup settings, and adjustable carafe temperature, ensures that coffee is always hot and ready to be enjoyed. Dual filters eliminate impurities for fresh, robust coffee flavor. Designed to heat up in a hurry, the hot water system features a separate reservoir with a spout that easily dispenses hot water directly into a cup for hot tea or cocoa, or into a bowl for oatmeal, soup, ramen, and more. A drip tray prevents spills and detaches easily to make room for taller cups. The sleek, compact design with the two reservoirs side by side conserves countertop space while complementing any kitchen décor.

Drip Coffeemaker:

- 12-cup glass carafe
- Fully automatic with 24-hour programmability LCD Clock, self-clean, 1- to 4-cup setting and adjustable auto shutoff (0-4 hours)
- Adjustable keep warm temperature control
- Brew Pause™ feature
- Gold tone, commercial-style permanent filter
- Charcoal water filter

Hot Water on Demand:

- Provides hot water on demand for tea, soup, oatmeal & more
- 37-ounce water reservoir
- Hot waterspout easily dispenses
- Removable drip tray detaches easily to save space
- Sleek design takes up less counter space
- Charcoal water filter
- Limited 3-year warranty
