PRODUCT DESCRIPTION

You'll stand out no matter where you go, work, or play with the Swissgear 9901 ladies' laptop backpack in Black. Feminine design meets class with an outer finished in textured vegan leather with gold accents and color-matching interior lining.

Designed to protect your tech, the main compartment has a padded laptop compartment, dedicated tablet pocket and a zippered pocket for your personal items. The front zippered compartment has an organizer for your phone or other everyday necessities. The expandable side pocket has a zipper to ensure your umbrella or water bottle stays put.

We lined the padded shoulder straps with a mesh material to keep you cool and comfortable. Airport treks are less stressful with the Pass-Thru trolley sleeve that slides over luggage pull-handles and lets you stack the backpack on other luggage.
