Title:

NordicTrack 50 Lb. Adjustable Dumbbell Pair with Storage Tray

Product Description: (158 words)

When you purchase a pair of NordicTrack Adjustable dumbbells, you bring the gym into the comfort of your own home. Maximize your storage space by replacing a full weight rack with these NordicTrack adjustable dumbbells, decluttering your home gym and getting the most out of your workout. Engage your arms with bicep curls and tricep extensions, build your quads, hamstrings, and glutes with lunges and squats, and target your back with Good Mornings and deadlifts for a comprehensive full-body workout. Your NordicTrack dumbbells give you the ability to choose between 10, 20, 30, 40, and 50-pounds - whether you're warming up or engaged in a difficult compound lift, these weights have got you covered. Easily select your desired weight and get lifting, adjusting weight values as you go without losing focus on your set. When you are finished with your strength-training routine, simply place your dumbbells back in their included storage trays to secure them until their next use.

Product Highlights - bulleted: (119 words)

- **5-in-1 Dumbbell Set**
 - These adjustable weights replace five sets of dumbbells, maximizing your home storage space and helping you keep your home-gym clutter free
 - Your NordicTrack dumbbells will get you through your whole weight-lifting experience, from warm up to cool down
- **Plastic Storage Tray Included**
 - Easily keep your weight secured when not in use with an included plastic storage tray
 - Each tray is clearly marked with weight values, making it easy to know exactly how much you are lifting
- **10-Pound Increments**
 - Adjust between 10, 20, 30, 40, and 50 pounds, finding the perfect resistance for your current fitness level or exercise
- **Smooth Selector System**
 - Keep your focus on lifting and adjust your weight value with ease in between sets
