Café Minimal Series 30" Smart Built-In Twin Flex Single Wall Oven in Platinum Glass

CTS92DM2NS5

CAFÉ
DISTINCT BY DESIGN™

FEATURES & BENEFITS

Create an easy-to-clean, contemporary look for your kitchen with the striking reflective glass finish.

Cook two things in the oven at once, at two different temperatures, so that your entire meal will be done on time.

This smart oven features **built-in WiFi** so you can control oven functions with the SmartHQ app on your smart device.

Preheat the oven quickly and cut down on preheat time with a speedy preheat feature.

Cook an entire meal at once with a 5.0 cubic foot oven which provides enough room for multiple dishes.

This oven features T**rue European Convection**, an advanced convection system that uses a third heating element and reversing fan for the highest level of heat and air circulation.

This oven will fit your existing cut-out, or GE Appliances will help pay for modifications up to $300.

Easily navigate wall oven settings thanks to a **7" touchscreen display.**

This **smooth-gliding oven rack** can be left in the oven during the self-clean cycle so you never have to scrub.
