Always on the go? Carry your laptop in the 15.6" Strata II Sleeve with Handles. It has a slim design, but plenty of room for essentials in its front zippered pocket. It's also easy to carry with convenient handles or slip it into another bag.

Go wireless with the ergonomically styled Targus W571 Wireless Optical Mouse. Its 1,600 DPI optical sensor provides a precise response to mouse movements and its 2.4 GHz wireless technology reduces interference, delays, and signal drops for excellent tracking.

BONUS: Protect yourself with the Targus Spy Guard Webcam Cover. Once attached it'll securely stay in place. It easily slides open and closed so that it's a breeze to access your webcam whenever you're prepping for a video conference or virtual hangout. It couldn't be easier to block hackers.
