

Package contents

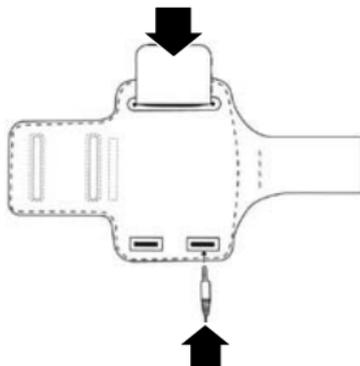

- Armband
- Quick Setup Guide

Compatibility

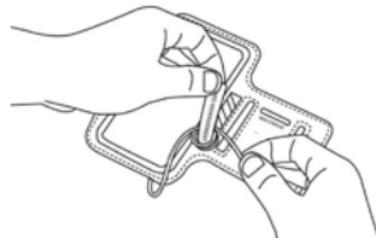

- iPhone 5/5S and iPod Touch 5th Generation

Using your armband

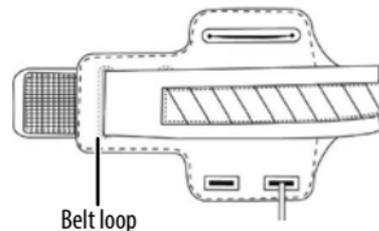

- 1 Insert your iPhone/iPod Touch into the armband with the headphone jack towards the bottom of the armband.

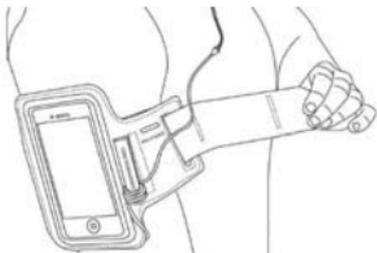

- 2 Insert the headphone jack into the iPhone/iPod Touch, then use the cord management feature.

- 3 Slide the armband strap through the hole on the armband:
 - Large arm: use the outer belt loop.
 - Medium arm: use the inside belt loop.
 - Small arm: see the double loop process in the next column.

- 4** Slide on the armband and secure the strap.

Double Loop process:

- 1** Insert the strap through the first belt loop.

- 2** Loop the strap back through the second belt loop and press together as shown to secure.

One-year limited warranty
