Bluetooth v4.2 with AAC transmission technology provides a meticulous sounding wireless experience with affecting sound quality.

- **POWERED BY Vi-** With real-time feedback and professional workout coaching, LifeBEAM's Vi Trainer works seamlessly with our headphones to provide a fully-integrated workout experience just by clicking the Vi button.
- **AAC HI-RES TRANSMISSION-** A Bluetooth chip with AAC transmission technology is optimized for iOS devices to provide better sounding Bluetooth audio at similar bit rates.
- **ENHANCED WIRELESS RANGE-** Enjoy up to a 35 ft. Bluetooth range so you can enjoy your music anywhere, anytime.
- **WATER & SWEAT RESISTANT-** International standard IPX6 water protection ensures long-lasting resilience under outdoor conditions and rigorous exercise. Withstand heavy splashing, rain, and mud from any direction.
- **ERGONOMIC SPORT DESIGN-** Oblique angled ear fittings naturally align to the curve of your ears. The secure fit increases noise isolation, fullness, and bass when working out.
