

PRO (HERO)

High Performance Gaming Mouse

DESIGNED FOR AND WITH ESPORTS PROFESSIONALS

Logitech G partners with many of the world's top esports athletes to design the PRO line with the goal of creating extreme performance gear that lets professionals play at the peak of their potential. The latest Logitech G PRO gaming mouse has been updated with the revolutionary HERO 16K, the most accurate sensor Logitech G has ever made. Combined with an updated low-friction, flexible cable, lightweight design and mechanical keys switches, PRO gaming mouse is the ultimate in gaming mouse accuracy, durability and maneuverability.

Ultra-Durable Mechanical Switches

L/R buttons are built to perform a punishing 50M clicks

Mechanical Spring Button Tensioning System

Delivers a consistent click feel and near instantaneous actuation.

Six Programmable Buttons

Plus onboard memory so you can setup and store game commands in the mouse for use on any PC¹.

Supreme Comfort

Optimized to reduce weight and improve comfort, stability and maneuverability.

Customizable RGB lighting

Choose from approx. 16.8 million brilliant colors¹ with LIGHTSYNC technology in Logitech Gaming Software.

HERO 16K Sensor

Highest-performing, most accurate and power-efficient gaming sensor Logitech G has ever made.

Pallet Count	1272 units	318 case packs

Product description

100-word description

Logitech G partners with many of the world's top esports athletes to design the PRO line with the goal of creating extreme performance gear that lets professionals play at the peak of their potential. The latest Logitech G PRO gaming mouse has been updated with the new HERO 16K sensor and a low-friction, flexible cable. HERO optical sensor is the highest performing and most efficient gaming sensor Logitech has ever made. The PRO gaming mouse has the latest version of HERO sensor, called HERO 16K, with an updated tracking algorithm that delivers ultra-precise tracking with no acceleration, smoothing, or filtering over the entire DPI range.
