

D340P

Smart 2K+ 5MP Wired PoE Video Doorbell with Chime and Expanded Head-to-Toe View

2K+

5MP Super HD

5MP resolution offers 2.4x the clarity of 1080p and more details for easy recognition.

Supports microSD Card

Record locally with support for microSD cards up to 256GB.

Up to 6s of Pre-Recording

Passively captures up to 6 seconds before critical events trigger recording, ensuring you catch important details.

Smart Detection

Get instant notifications when a person or vehicle is detected.

1:1 Head-to-Toe View

Enjoy an expansive 180° diagonal head-to-toe view for full visibility.

Preset Voice Message

Have the doorbell speak for you with preset voice messages.

Compatible with Reolink NVR Systems

Connect easily to Reolink NVRs for extended video storage and centralized control.

Two-Way Audio

Hear and speak to visitors with built-in mic & speaker.

Chime Included

Plug it into the outlet at any room and be confidently alerted.

More Than Double the Clarity of 1080p

Experience a vivid, ultra-sharp view of your doorstep with 5MP resolution that delivers twice the detail of standard 1080p. This 2K+ precision captures every critical detail with stunning high-definition clarity.

Smarter Alerts. Zero Distractions

Get instant, accurate person and vehicle notifications while custom motion zones ensure you only focus on the areas that matter most.

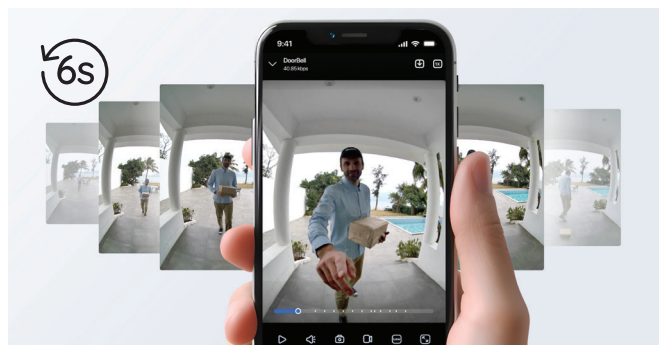

Capture the Entire Scene

Ultra-wide 180° viewing angle sees the whole scene from top to bottom, capturing every action.

Interactive Communication & Auto-Reply

Engage in real-time with built-in two-way audio, or use preset voice messages to automatically respond to visitors when you're unavailable.

Never Miss the Action

Records 6 seconds before the detection of the event to capture important evidence.
