

In-ear headphones with mic

ELIT300

DOUBLE THE DRIVERS DOUBLE THE DETAILS

Noise-isolating. Comfortable. In-ear headset.

The ELIT300 headphones are featured a unique dual driver design utilizing a Piezo driver and a 12.8mm dynamic driver to provide Hi-Res audio quality. The Piezo driver offers an airy and sparkly treble with an extended high frequency range while the 12.8mm dynamic driver provides a strong bass and mid-range presence. Together, they work in harmony to bring you an extremely

accurate and enjoyable listening experience. The ELIT300 also features a secure-fit in-ear design providing a natural fit, crafted based on extensive ergonomic research, providing you with ultimate comfortable wearing for continuous and long usage. It comes with an in-line microphone and remote for music and call control. 2 colors options are available.
