Features:

- **Boosts absorption of serums, creams, and moisturizers**
- **Helps reduce puffiness and redness**
- **Tightens skin's surface to lessen the appearance of fine lines**
- **Rejuvenates and invigorates skin with sonic vibration**
- **Teardrop-shaped head perfect for under-eye areas**

Our skin can react in different ways to different temperatures.

The Vanity Planet **Forever Young** uses hot and cool settings along with sonic vibrations to make the most of your skincare routine.

The hot mode helps open up your pores to boost absorption of serums, creams, and moisturizers. Change to the cool mode to shrink pores, lessening the appearance of fine lines. This cold setting also helps to reduce red spots and puffiness, while soothing your skin. The **Forever Young** allows you to use these temp modes with sonic vibrations so you can rejuvenate your complexion and enjoy a gentle massage. Tackle those under-eye bags, lock in all the good moisture, and get your glow on.

Getting Started:

charging your device

Your **Forever Young** takes 3 hours to get a complete charge. After it has been fully charged, you can use your device for up to 1 hour before recharging. To charge your **Forever Young**, simply plug the USB cable into the USB port at the bottom of the handle and connect to a power source. While charging, the indicator light will be red. Once it is fully charged, the light will turn blue.

turning your device on/off & switching modes

1. Hold down the "On/Off" button for 3 seconds to turn on the Hot mode
2. To add sonic vibrations while using the Hot mode, simply press the "On/Off" button a second time
3. To shift too the Cool mode, press the "On/Off" button a third time
4. Press the "On/Off" button a fourth time to add sonic vibrations while using the Cool mode
5. To turn off your BLANK, hold down the "On/Off" button for 3 seconds. The device will automatically shut-off after 2 1/2 minutes on each mode

Using Your Forever Young:

After cleansing your face, apply your favorite serum or moisturizer. Then use your **Forever Young** on its Hot mode (with or without vibration) to open up your pores and help your skin absorb more of the skincare product.

Once your product has been fully absorbed into the skin, switch to the Cool mode (with or without vibration) to help shrink your pores and tighten the skin. Now your face is ready and prepped for sleep or for a full face of makeup.

If you want to combat puffiness, redness, and dark circles, simply use your **Forever Young** on Cool mode (with or without vibration) to soothe problem areas.

Use the hot or cold mode with sonic vibrations anytime for a gentle massage that will leave your skin feeling rejuvenated.

Taking Care:

To keep your Vanity Planet **Forever Young** in optimum condition, do not use abrasive cleaners or chemicals to clean any part of this device. Only clean when the device is turned off completely and cooled to room temperature.

cleaning the handle:

To remove any residue or buildup, clean the handle at least once a week by taking a slightly damp cloth and wiping down the body of the device when it is turned off.

Do not use soap.

cleaning the Hot & Cold Head:

Wipe down the Hot and Cold Stainless Steel Head with a slightly damp cloth while the device is turned off and cooled. Make sure to carefully clean around the edges of the plate to remove any skincare product residue.

Important Tips & Warnings

To ensure you experience the full range of benefits from the Vanity Planet **Forever Young**, we recommend the following:

- Do not submerge the handle in water as the main handle is not water resistant
- Do not use with harsh exfoliating cleansers or physical exfoliants such as nuts, shells, seed, or other jagged exfoliating particles
- Make sure that the metal massage head is properly cleaned between uses to avoid product build up and residue
- Do not use if you are pregnant
- Keep out of reach of children

NOTE: If you are under a doctor's care for any skin condition or if you think you may have a skin condition, please consult your physician before use.
