HP V22 FHD Monitor

An everyday monitor that's easy on you

Browse the web, stream your shows, get some work done, and save space on your desk with the compact HP V22 FHD Monitor that adjusts to your comfort needs and delivers stunning picture quality in highly affordable style.

Product overview

- **Crisp image clarity for all your content:** Get lifelike color and sharp details for everything you do, from answering e-mails, checking your social feeds, and working on documents to watching the latest shows, on a 21.5-inch diagonal Full HD screen.[1]
- **Modern connectivity:** Quickly connect to your devices and additional monitors through the HDMI and VGA ports and get smooth visuals, no dongles required.
- **Personalize your comfort settings:** See your screen in a whole new light with HP Low Blue Light, which shifts the color spectrum for more comfortable viewing for your next binge watch or marathon project. Tilt the screen up to 5° forward or 20° backward to find your best viewing position.

Key specifications

- **Viewable image area:** 21.5-inch diagonal
- **Aspect ratio:** 16:9
- **Resolution:** Full HD (1920 x 1080)
- **Connectivity:**
  1 x HDMI 1.4
  1 x VGA
- **Exterior color:** Black

Product features

- **Full HD display:** Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD / 1080p display.[1]
- **An easier way to HD:** With both HDMI and VGA ports, this display is ready to connect for brilliant HD visuals over a smooth digital connection.
- **Adjust your view:** Adjust the screen to your personal preference with a 5-degree forward or 20-degree backward tilt.
- **Low Blue Light:** Using the Low Blue Light mode subtly shifts your display's colors to a warmer spectrum, while making whites more natural and putting less strain on your eyes.
- **TN panel:** Enjoy the latest action movie or high-octane video game with the low pixel latency and snappy response times of this TN panel.

Environmentally conscious

- Energy efficient design and components help reduce power consumption and energy costs.

Warranty and support

- Rest easy and work confidently with an HP standard one year limited warranty.[3]
