

PROTECTIVE HOUSING (HERO9 BLACK)

HERO9 Black is rugged and waterproof right out of the box, but this tough housing handles anything you can throw at it. It protects from dirt and flying debris during intense action—plus, it's waterproof down to 196ft (60m) and perfect for deep-water diving.

FEATURES

- Protects your HERO9 Black from mud, dirt and debris during extreme activities
- Front LCD screen remains accessible for viewing
- Waterproof down to 196ft (60m)—perfect for deep-water diving
- Includes a skeleton backdoor for improved audio capture¹ and easy access to the camera's back touch screen
- A flat glass lens makes for sharp, high-quality images above and below water

WHAT'S INCLUDED

- Protective Housing for HERO9 Black
- Skeleton Backdoor
- Mounting Buckle
- Thumb Screw

COMPATIBILITY

- HERO9 Black

Lifetime Warranty

This GoPro product is covered by a Lifetime Warranty against defects in materials and workmanship for the lifetime of the product for the benefit of the first purchaser or gift recipient. Products found to be defective will be repaired or replaced at GoPro's discretion. GoPro reserves the right to make all determinations under this warranty. Products failing due to normal wear and tear, abuse or natural breakdown of materials over extended use and time will be repaired for a fee. For product support please visit gopro.com/help.

Warning

Designed for use with HERO9 Black only. Use with other models could damage the camera or housing.

Footnotes

¹Compared to audio capture with a waterproof backdoor installed. The skeleton backdoor isn't recommended for use during underwater capture.
