

Farberware Professional FMO22ABTBKA 2.2 Cu. Ft. 1200-Watt Microwave Oven with Smart Sensor Cooking, Stainless Steel

Label	Farberware Professional FMO22ABTBKA 2.2 Cu. Ft. 1200-Watt Microwave Oven with Smart Sensor Cooking, Stainless Steel
Description	<p>The Farberware Professional 2.2 Cubic Foot 1200 Watt Microwave Oven with Smart Sensor Cooking delivers power, style, and convenience with a sleek Stainless Steel design to complement your kitchen. With a 16.5-inch turntable, this model's roomy interior accommodates oversized dinner plates, perfect for a large family gathering. Smart Sensor cooking allows you to prepare preset menu items and reheat foods without overcooking using humidity sensors inside the microwave that determine when the food is ready. An Energy Saver power mode allows you to conserve energy when the microwave is not in active use. 7 One-Touch cooking programs allow you to heat up everyday items in seconds. Amenities such as 1 to 6 minute instant start functions, a +30-Seconds control button, 10 power control levels, and Memory Function take the guesswork out of food prep. 5 Auto-Cook pre-programmed settings including Bacon, Frozen Bread Reheat, Beverage, Chicken, and Oatmeal make you a versatile chef with little effort. The microwave includes 3 Automatic Defrost pre-programmed settings making defrosting your favorite item a cinch. Features such as 4 Melt pre-programmed options, and 3 Soften pre-programmed options set this microwave apart from the rest. Additional features include a blue LED display with kitchen timer and clock as well as a child safety lock function to prevent accidental operation.</p>
