Become a producer and take full control. ACID Music Studio helps you get started in loop-based music production. The software accomplishes tasks normally carried out by a professional. ACID Music Studio accompanies you every step of the way. Compose, edit and mix your tracks like a pro in minutes with the help of integrated tutorials. Record on a huge number of tracks in 24-bit/192 kHz, add high-quality loops and draw one or several sound sequences directly in the Timeline. Using powerful MIDI editing and sequencing tools, you can draw and edit MIDI content directly in the Piano Roll or Drum Editor. In addition, the VST interface gives you unlimited freedom to expand your instrument collection.
