**ACTON II VOICE**

ACTON II VOICE COMBINES THE LEGENDARY SOUND OF MARSHALL WITH THE HELPFULNESS OF AMAZON ALEXA, FOR A SPEAKER THAT'S NOT JUST SMART, IT'S BRILLIANT. THIS DYNAMIC COMPACT SPEAKER FEATURES THREE DEDICATED CLASS D AMPLIFIERS THAT POWER ITS DUAL TWEETERS AND SUBWOOFER, FOR A SOUND THAT IS NOTHING SHORT OF LARGE. WITH ALEXA YOU CAN USE YOUR VOICE TO MULTI-TASK, HANDS-FREE. ASK ALEXA TO PLAY YOUR FAVOURITE PLAYLIST OR TEACH YOU A NEW CHORD PROGRESSION ON THE GUITAR. EVEN TELL ALEXA TO TURN THE VOLUME UP WHEN YOUR FAVOURITE SONG COMES ON OR HIT THE LIGHTS WHEN YOU'RE READY TO CALL IT A DAY. IT'S THE SMART WAY TO LISTEN TO MUSIC, AND SO MUCH MORE.

CLASSIC MARSHALL DETAILS SUCH AS A TEXTURED VINYL COVERING, SALT & PEPPER FRET AND THE ICONIC SCRIPT LOGO ADORN THE STURDY WOODEN FRAME OF ACTON II VOICE. LOCATED ON THE FRONT OF THE SPEAKER IS A BRASS PLATE WITH LEDS THAT INDICATE WHEN ALEXA IS READY TO RESPOND TO YOUR COMMAND. THE BRASS PLATE IS PROUDLY ETCHED WITH THE ESTABLISHMENT DATE OF 1962 – A SUBTLE NOD TO THE BRAND'S HERITAGE AND OVER 50 YEARS OF LOUD ■

## REVOLUTIONARY SOUND NOW WITH ALEXA

Acton II Voice is the smallest speaker in the Marshall line-up, but produces a sound that's nothing short of large. It delivers a well-balanced, powerful audio experience that's easily controlled with your voice. This dynamic compact speaker features three dedicated class D amplifiers that power its dual tweeters and subwoofer. The wooden cabinet construction helps provide a warm, natural sound and the bass reflex system includes a port to increase efficiency at low frequencies.

## CONTROL YOUR MUSIC WITHOUT LIFTING A FINGER

Now you can play and control your music hands-free with Alexa. Use your voice to play music or listen to a podcast while you're busy doing other things. Even tell Alexa to turn the volume up when your favourite song comes on. In addition to basic playback commands, you can ask Alexa to play or create a playlist or play a song across compatible devices in other rooms. Overtime Alexa learns your musical preferences so you can use it to discover new music.

### ENDLESS WAYS TO LISTEN

Consider this speaker your backstage pass to every song on the planet. Access to all the world's music has never been easier, just ask Alexa to play music from the most popular streaming services and you're ready to listen. You can connect with Wi-Fi, Bluetooth or the 3.5 mm input.

### BUILD A MULTI-ROOM SYSTEM WITH AMAZON ALEXA

Want to fill your home with music? With multi-room music on Alexa-enabled devices you can wirelessly play different songs in each room or bring it all together and play the same song throughout the entire home.

### LET ALEXA DO THE HEAVY LIFTING

Just like a roadie, Alexa is there to help carry the weight while you're busy doing other things. Can't remember the name of a song? Sing the lyrics and Alexa will find it for you. Looking for information on when your favourite band goes on tour? Just ask.
