Use of these TV models require consent to Google Terms of Use and Privacy Policy. ¹Compared to a conventional LED TV. ²Requires HDR compatible content from supported streaming services, such as Netflix, Ultra and Amazon Video or HDR compatible content device connected via HDMI input. Requires HDMI® cables sold separately. ³IMAX Enhanced content enables the full IMAX Enhanced experience. ⁴Dolby Vision™ is available via network update. Dolby Vision content will be compatible with Dolby Vision devices and streaming services such as Prime Video, Apple TV 4K, and Netflix. ⁵Broadband speed of at least 2.5 Mbps recommended for SD services, 10 Mbps for HD streaming or 4K downloads, 20 Mbps for 4K Ultra HD streaming. Wireless connectivity requires 802.11n home network (802.11n recommended). Network services, content, and the operating system and software of this Product may be subject to individual terms and conditions and changed, interrupted or discontinued at any time and may require fees, registration and credit card information. User must connect to a Google account to use, including voice to activate linked apps. ⁶Requires compatible devices connected to the same network. ⁷Select Android TVs are compatible with Google Home and Amazon Alexa (products sold separately).
