Laptop 3

Slim and stylish, available in 13.5" and 15" touchscreens, rich color options, and two durable finishes. Make a powerful statement and get improved speed, performance, and all-day battery life.

Redefining what's possible in a thin and light computer

The 10th Gen Intel Core processor inside Surface Laptop 3 13.5" is designed to give you the triple threat of performance, connectivity and entertainment — opening more possibilities than ever before.

Features

Work, play, and connect wherever you are

Surface Laptop 3 makes it easy to get things done. Be creative, work and play your way, and look and sound your best on video calls.

Bring your ideas to life

Create, play, and make memories on the vibrant, interactive touchscreen. Whether you're working on a presentation, editing videos, or retouching a picture in Adobe Lightroom,* it's easy and fast.

Browse and binge

With a high-resolution PixelSense™ Display and blazing-fast processors, Surface Laptop 3 is perfect for browsing in Edge and streaming your favorite shows.

Surround yourself with amazing sound

Enjoy amazing sound for games, music, movies, audio books, and podcasts with built-in Omnisonic Speakers backed by Dolby® Audio.

Stay connected to what matters

From one-to-one video calls to virtual get togethers, easily connect and share big moments with Skype* and the front-facing HD webcam. Plus, hear every word with built-in Studio Mics.

Stay productive and secure across your devices

Get started right away with familiar features and trusted security. Keep content safe in the cloud with integrated OneDrive. And, do your best work with Microsoft 365.
