

Steam Birdie

The Steam Birdie is a multipurpose steam cleaning machine that takes the place of multiple cleaning agents and works everywhere in your house.

The Steam Birdie produces 1500 Watts of superheated steam in just a few seconds. Weighing less than 5 lbs the Steam Birdie is a lightweight workhorse that is easy to use, fast drying, and powerful. It's versatile attachments are useful for every conceivable cleaning job, such as kitchens, bathrooms, windows, hard floors, BBQ's, table tops, autos and boats. Using only tap water, the Steam Birdie is completely safe for the environment.
