

WAF-F40

Cuisinart® Double Flip Belgian Waffle Maker

Cooking two Belgian waffles at a time to perfection is easy with Cuisinart's Double Belgian Waffle Maker. The distinctive rotary feature flips 180° to evenly cook them inside and out. Powered by 1400 watts, this innovative kitchen essential cooks Belgian waffles in minutes, with turn-of-the-dial controls to bake them according to preference, from light and fluffy to brown and crispy. To prevent over- or under-cooking, a ready indicator light and beeping alert announce when waffles are ready. Nonstick plates ensure flawlessly formed, deep pocketed Belgian waffles release easily onto the plate, ready for a wide variety of toppings, from fruits and meats to jams and whipped cream. Durable, brushed stainless steel housing adds a sleek, modern touch to any kitchen and wipes clean in seconds.

- Bakes 2 restaurant quality, 1-inch thick Belgian-style waffle
- 5-setting browning control for custom cooking from light to dark
- Easy-to-Handle rotary feature for even baking on top and bottom
