

LENOVO™ SMART CLOCK WITH THE GOOGLE ASSISTANT

A SMART CLOCK WITH THE GOOGLE ASSISTANT

Lenovo Smart Clock is a Smart Clock with the Google Assistant so you can ask it questions and tell it to do things. It brings you the best of Google all in one place. With a beautiful 4" display, this product delivers delightful, visually assistive - but not intrusive - experiences when you need them the most: in the morning, when you wake up, and later in the evening, when you're ready for sleep. Just start with "Hey Google" to quickly manage daily tasks, view glanceable answers, enjoy music, podcasts and audiobooks, and control your smart home - all hands-free.

Lenovo™

WHY YOU SHOULD GET THE LENOVO SMART CLOCK

Kickstart your day

Wake up with hundreds of sound and media alarms - to snooze it, just tap on your Smart Clock. Check the display and see the weather, your calendar, commute info, news and more with the "good morning" routine. See your sleep summary, check motivational quotes, and more.

Unwind in the evening

Do more with a single command with the "good night" routine: turn off the lights, lock the doors, play some relaxing music, and more. You can also see alarm suggestions and set it up via voice or touch. Thanks to the USB port, you can also charge your phone.

Control your connected home

Use your voice to control your smart home devices, and access them in a single dashboard. Turn on the lights, turn on the coffee maker - right when you wake up. Turn off lights, turn on locks, check your security camera and baby monitor cam before you go to sleep. Supporting 10,000+ products and 5000+ partners/brands.

Enjoy your favorite tunes

Play your favorite music, audiobooks, radio, podcasts, and more. With multi-room, you can add your Smart Clock to a speaker group and play media across multiple devices and rooms. Your Smart Clock also works with Chromecast, so you can stream your favorite shows, movies or music on your TV or speakers using only your voice.
