Features & Benefits

Designed to Match

This range hood's simple, clean design is stylish yet discreet and durable, with a streamlined aesthetic to match the rest of Fisher & Paykel's family of appliances. Note: 36-inch Perimeter Insert Range Hood pictured

Versatile and Discreet

At just 11" deep, the Perimeter Insert Range Hood fits neatly underneath your kitchen cabinet and gives you easy access to the fully integrated, angled control panel. You can also fit it into your own customized canopy.

Powerful and Efficient

While providing up to 600CFM airflow, this range hood keeps the noise down to 48dBA on its usual operating speed – efficiently removing unwanted steam, smoke and odors that can linger in the kitchen after cooking is finished. The practical timer feature keeps the range hood working for up to 15 minutes before it automatically turns itself off.

Easy Cleaning

The stainless steel finish is easily wiped clean. Multi-layered filters trap grease effectively. Designed for simple removal, the filter is easy to clean and dishwasher safe.

Warm Halogen Lights

The warm halogen lights create an inviting glow in your kitchen, making it a welcoming place to cook and entertain.
