Product Features:

1. This 18-inch flush mount ceiling fan light not only keeps the air moving in your bedroom or hallway but also provides bright, ambient illumination. Perfect for low ceilings, it helps make your space feel cozy and refreshed all year round.
2. Built with a sturdy iron frame and lightweight aluminum blades, this fan delivers quiet airflow without sacrificing style. The open, industrial-inspired design adds a modern-rustic touch that complements loft, farmhouse, or contemporary rooms effortlessly.
3. Equipped with a standard E12 bulb socket (bulbs not included), you can pick LED, energy-saving, or warm white bulbs to set the perfect mood for any space. It's a simple way to personalize your lighting while keeping your room bright and inviting.
4. The compact flush mount design ensures the fan sits close to the ceiling, making it ideal for apartments, small rooms, or low-ceiling areas. Enjoy full airflow and illumination without worrying about head clearance or awkward spacing.
5. Lightweight and easy to install, this ceiling fan light is a hassle-free addition to bedrooms, hallways, or offices. The open cage design makes cleaning a breeze, while the combination of style and function brings a polished, contemporary-industrial look to any room.
