## Web Product Name

VTech Sleep Training Soother Portable Bluetooth Speaker includes a Professional Sleep Training Program, Colorful One-Touch Night Light and Glow-on-Ceiling Projector that includes preloaded stories, classical music, lullabies, and natural sounds and the ability to record your own voice, BC8313 (White)

## Web Description

Create ideal sleep patterns & environments with the VTech BC8313 Sleep Training Soother. Inspired by WeeSleep™ experts, the Hush Pro provides features that enable better, longer sleep for the whole family. Combines light, sounds, and tips to encourage healthy sleep habits using the colorful night light, glow-on-the-ceiling projector, and powerful Bluetooth Speaker. Craft sleep-inducing atmospheres with over 200 pre-programmed stories, classical music, lullabies and natural sounds, or stream from your favorite smartphone music service. Record and upload your own voice, songs, or stories using the subscription free app. Plus, ensure your family sleeps well even if you're on the go thanks to the rechargeable battery.

## Web Features

- WeeSleep™ Sleep Program - A complete program from a global sleep expert combines, light, sounds, and tips to encourage healthy sleep habits for your child. Includes a free 15-minute phone consultation with a WeeSleep™ sleep coach.
- Colorful touch night light - Choose from over 250 colors to personalize and perfect your baby's sleep environments.
- High Definition down firing Bluetooth speaker - The 360-degree down-firing speaker blankets surrounding areas with clear, soft sounds proven to foster restful sleep environments.
- Pre-Programmed with 100 Stories, 100 Classical songs, 10 Lullabies, and 10 Natural Sounds.
- Record and Upload Your Own Voice, Songs, And Stories Using the Subscription Free App - Record their favorite story or song in your familiar voice.
- Glow-on-ceiling projector - choose from six different projection frames to enforce sleep time.
- Rechargeable battery included for times when power is not available
