

## DPP143 - Conair Steam Iron

Make the most of the Conair Steam Iron, compact and functional for home use and small enough for travel. Includes steam burst, anti-slip heel, 8-foot cord and dual voltage.

---

An iron with enough power and features for home use, and small enough for travel, our EZ Press Steam Iron makes the most of its compact size. It includes a variable steam feature with a steam burst for tough wrinkles, an anti-slip heel for added safety, and a stainless steel soleplate for a smooth glide across fabric. Its lightweight design makes it easily portable, the 8-foot cord provides extra ironing freedom, and the dual voltage lets you take it overseas.

- + Stainless steel easy-gliding soleplate
- + Steam burst for tough wrinkles
- + Dual voltage
- + Steam or dry switch
- + Variable temperature
- + Temperature ready light
- + 800 watts
- + 8-foot power cord
- + Anti-slip rubber feet
