BlazBlue: Cross Tag Battle

An unrivaled clash of explosive proportions! The beloved *BlazBlue* franchise Crosses universes, Tags in fan favorites, and Battles it out in *BlazBlue: Cross Tag Battle*!

Created through an all-star collaboration between *BlazBlue*, Atlus' *Persona*, French Bread's *Under Night In-Birth*, and Rooster Teeth's hugely popular *RWBY* web series, Cross Tag Battle celebrates the fighting genre for pros and newcomers alike!

Engage in fast paced 2v2 team battles filled with the craziness you've come to love from *BlazBlue*, with all the tight mechanics, smooth gameplay, and gorgeous 2D graphics you expect from Arc System Works.

Choose from an eclectic cast of over 20 fighters. Jin Kisaragi, Rachel Alucard, Yosuke Hanamura and more are ready to join the fray!

Game Features-

CROSS: Cross over between 4 different universes! Play as characters from the *BlazBlue*, *Persona*, *Under Night In-Birth*, and (for the first time ever in a fighting game), *RWBY* series.

TAG: Dive deep into the accessible 2 vs 2 gameplay system in a gorgeous 2D tag team based fighting game. Overwhelm your opponents with the tag-team "Crush Assault"!

BATTLE: Take the fight to your friends, online, or against CPU opponents in robust single and multiplayer modes.

LOOK GOOD DOING IT: High definition anime styled 2D characters alongside beautiful 3D backgrounds and smooth animation brings the game to life.

ARC ASSEMBLED: Developed by Arc System Works, creators and developers of critically acclaimed and fan favorite fighting series *BlazBlue*, *Guilty Gear*, and *Dragon Ball Fighter Z*.

Enjoy English and Japanese in-game voices and English, Japanese, Korean and Chinese text.
