## ChopDrop Technology

The unique Multichopper accessory with Chopdrop technology and ultra sharp blades allows you to chop all kinds of ingredients like a chef. The uniquely designed chamber keeps the ingredients in, while the three blades are chopping. Once the pieces reach the optimal size, they are dropped in the bowl: dry & regular every time. Perfect for onions, but also other vegetables, fruit, cheese, nuts & more, for the most delicious homemade salads.

## Fine chopping with HS blade

Like any other chef, the Philips MultiChopper with its additional high speed chopping blade also allows you to finely chop a large variety of ingredients, such as meat, nuts, dried fruit, herbs, Parmesan, chocolate and more. Finely grind meat for steak tartare, meat balls, sauce Bolognese or tacos; prepare homemade pesto and humus, energy bars or simply a fresh dressing for your favorite salad.
