

Air Missions: HIND

Air Missions: HIND is an action combat flight simulator based on the Russian Mi-24 Hind assault helicopter, also known as the “Flying Tank”. You will be deployed to the battlefield either on your own in Singleplayer, or together in Multiplayer. Equip the weapon of your choice - UPK 23 machineguns, GUV gun pods, FAB bombs, and a variety of missiles - and use it to tear up the skies above Central Asia, Eastern Europe, the Arctic Ocean & Southeast Asia!

Features

- Soar through the sky in an Mi-24 Hind assault heli, a.k.a. the Flying Tank
- Fight in Singleplayer and Multiplayer - Deathmatch, Instant Action & Online Co-op
- Hover over Central Asia, Eastern Europe, the Arctic Ocean & Southeast Asia
- Equip devastating weapons and missiles, such as GUV gun pods and FAB bombs
- Master your aircraft with three different helicopter control difficulty levels
