## HARMONY SINGER 2

Battery-Powered Vocal Effects Stompbox with Guitar-Controlled Harmony, Reverb and Tone

- Vocal effects stompbox featuring guitar-controlled harmony and reverb plus battery-powered operation
- Adds one to two voices of realistic vocal harmony guided by your guitar
- Superb reverb effect with three styles sweetens your vocal presentation
- Adaptive Tone for perfect EQ, compression, de-essing and gating
- Optional battery power operation frees you from winding up cords at the end of the night
- Harmony on/off foot switch for quick performance control
- Includes on/off switch and a talk mode for speaking with your audience
- Intelligent mic input gain for quick and painless setup
- Eight harmony styles provide flexibility to suit almost any musical style
- Compatible with remote Mic Control using the TC Helicon MP-75 or Sennheiser\* e835 FX microphones
- 3-Year Warranty Program\*
- Designed and engineered in Canada

HARMONY SINGER 2 lets you supercharge your vocal performance with either one or two harmony singers instantaneously! Conveniently packaged in an easy-to-use stompbox format, HARMONY SINGER 2 provides your choice of 8 harmony styles – all controlled via your guitar. Also included are studio-grade reverbs, our proprietary Adaptive Tone, and hands-free mic gain setting, making HARMONY SINGER 2 a must-have for any band or solo artist.

### Studio-Grade Reverb

Reverb simulates a physical space, allowing your voice to fit into the music perfectly. Whether it's the ambience of a small room, or the massive reverberation of a concert hall, HARMONY SINGER 2's vocally tuned reverbs always bring out the best in your voice.

## Choose Your Harmonies

From the classic “third up” harmony voice to combinations of voices above and below your own, there’s a style in HARMONY SINGER 2 to fit almost every song. Experimenting with different harmonies can spawn new and creative song ideas, so be sure to try all eight of them!

## Personal Sound Tech

HARMONY SINGER 2’s Adaptive Tone combines EQ (equalization) with compression, de-esser and gate to automatically control the timbre and shape of your sound, ensuring every note is pristinely clear and intelligible. When the crowd hears exactly what you’re singing, they can join in – and there’s nothing better than that!

## Ease of Use

You’re a singer first and foremost, so getting knee-deep in technology probably isn’t what your gig calls for. That’s why HARMONY SINGER 2 automatically sets your mic gain to the optimal level, allowing you to concentrate on giving your best performance – night after night.

## Power Options

HARMONY SINGER 2 gives you the option of either plug-in power via the optional POWERPLUG 9 V adapter – or 4x AA battery operation for those occasions when you're just doing a short set, or house power isn't readily available

## Your Best Performance

Whether you're playing at the local tavern or at a huge festival, your vocals always deserve special attention. HARMONY SINGER 2 gives you the tools to always sound your best with harmony backup vocals, state-of-the-art reverb, and Adaptive Tone – all in an ultra-simple stompbox designed to elevate your performance to the next level.

Experience HARMONY SINGER 2 at your local [TC Helicon](#) dealer, or get yours online today.

## You Are Covered
