

# Refrigerator Specification Sheet

|                           |                                      |
|---------------------------|--------------------------------------|
| Model                     | VSC488VC                             |
| Classification            | Refrigerator                         |
| Product Dimensions (mm)   | 700 × 676 × 1946                     |
| Product Dimensions (inch) | 27.6" × 26.6" × 76.6"                |
| Package Dimensions (mm)   | 770 × 730 × 2090                     |
| Package Dimensions (inch) | 30.3" × 28.7" × 82.3"                |
| Capacity                  | 468 L / 16.5 cu ft                   |
| Inner Temperature         | 0.5 ~ 5°C (33 ~ 41°F)                |
| Climate Type              | 4                                    |
| Ambient Conditions        | 30°C, 55% humidity (86°F, 55%)       |
| Refrigerant               | R290                                 |
| Insulation                | High density polyurethane (CFC Free) |
| Cabinet Material & Color  | PCM White                            |
| Glass Door Appearance     | Black                                |
| Shelf Material            | Steel Wire                           |
| Shelf Quantity            | 4                                    |
| Inner Material            | White HIPS                           |
| Lighting                  | Side Lights                          |
| Light Switch              | Yes                                  |
| Door Lock                 | Yes                                  |
| Self Closing Door         | Yes                                  |
| Top Light Box             | Yes                                  |
| Handle                    | Integrated                           |
| Cooling System            | Ventilated                           |
| Defrost System            | Automatic                            |
| Amps                      | 2.6 A                                |
| Voltage                   | 115V / 60Hz                          |
| Weight                    | 200 lbs                              |
| Shipping Weight           | 227 lbs                              |
| Doors                     | 1                                    |
| 40HQ Capacity             | 48 Units                             |
| Certification             | ETL Safety, ETL Sanitation (NSF)     |
