EASY INSTALLATION

See every detail in crystal clear super HD

- Enjoy day & night security & have a bird's eye view of your premises in crystal clear super HD with this impressive 5MP video surveillance camera
- Seeing is believing from this 5 Megapixel (1920p) camera with resolution that's 2.3x superior to 1080p, perfect for close up detail such as license plates, facial detail, clothing colors & more
- See what's happening in any light with infrared cut filter & powerful LEDs producing night vision up to 100ft / 30m
- With discreet dome styling & sturdy aluminum construction the camera suits indoor & outdoor applications with IP66 rating for any weather conditions & cable threaded through the mounting stand for added protection
- This camera is the perfect addition if you already have a recording solution (DVR) & need extra surveillance. It can only be used in combination with Swann's Pro-Series DVR-4900 Super HD Digital Video Recorders^
- Deter thieves, safeguard loved ones, protect your property & cut the cost of crime with a visible security presence including this superior surveillance camera from Swann
