

Smart Nursery 7

Portable Wi-Fi® Video Baby Monitor

MODEL: MBP877CNCT

Your nursery just got smarter.

The Motorola Smart Nursery 7 is a portable Wi-Fi® video baby monitor that enables you to monitor your child while at home or from anywhere. The handheld monitor boasts a large 7" HD touch screen and includes a wide range of smart features and pre-installed baby care applications, helping you create a perfect environment for your little one, while the Hubble app allows you to receive sound, motion, humidity, and temperature notifications to your compatible viewing device while away. Remote pan, tilt, and zoom on the portable, rechargeable camera ensures that you have the perfect view of your child, and the crystal clear two-way audio allows you to communicate from another room. With Motorola's Smart Nursery 7, your nursery just got smarter.
